

## Regional Championships 2011

### Vault report by Antonio Juan

The region 8 2011 championships were held at the Convention Complex in Jackson Mississippi on April 08 to 10, hosted by meet control with the participation on vault of 212 gymnasts in level 5, 113 in level 6, 60 in level 7, 38 in level 8, 61 in level 9 and 89 in level 10 for a total of 573 gymnasts.

This year I shared the responsibility of judging vault with Brandon Pruen who did a very good job.

General comments about the compulsory levels

#### Level 5

In the level five we had 212 gymnasts performing the repetitive front tuck. 41 gymnasts (19.3 %) got the bonus for stick landing, and 9 (4.2%) were awarded for virtuosity, 8 gymnasts got 1.0 ded, for a fall. A total of 192 gymnasts (90.5 %) received a final score between 14.0 and 14.95, 15 gymnasts (7%) got a final score of 13.95 or less and only 5 gymnasts (2.3%) got a final score of 15.0 or more

#### Level 6

In the level 6 with the participation of 113 gymnasts, 31 of them (27.4%) got the 0.2 bonus for stick landing, 8 gymnasts got bonus for virtuosity and only 1 had 1.0ded. for a fall. A total of 95 gymnasts (84%) received a final score in the fourteens, 11 gymnasts (9.7%) got a final score of 13.95 or less and only 7 (6.1%) got a final score of 15.0 or more

#### Level 7

The level 7 and level 8 session was divided in such a way that I did judge the level 8 gymnasts and Brandon the level 7s, so I do not have any information about level 7.

Breakdown of the top 10 AA (all around) in level 9, 10 Jr. and 10 Sr.

The analysis of the deductions are based only on my own deductions which in the most of the cases were similar or equal to the judge #2 (Brandon)
